	REACH declaration	Create date : 07/01/2021 Page n. 1 of 1

Optoi is a manufacturer of components, microsystems and electronic subassemblies.

These “articles” in sense of EU REACH regulation do not release any substance if used properly.
For this reason these articles must not be registered under REACH at ECHA.

According to our knowledge and based on the information provided by our suppliers our devices don't contain any SVHC in a concentration of above 0.1% weight by weight.

Conformity with REACH is also applied to all our delivery packages.
